PROFESSIONAL EXPERIENCE

Web Developer, Hyper Access Solutions Inc. Nov 2025 - Present
Davao City, Philippines

- Engineered and maintained CRUD modules with seamless integration to controller-driven RESTful APIs, ensuring consistent client-server data flow.
- Contributed to Agile sprint cycles using a structured ticketing system for task management, defect tracking, and feature delivery.
- Designed, implemented, and optimized SQL/MySQL database schemas, including table structures, relationships, indexing, and stored procedures.
- Developed and maintained revenue and financial reporting features, generating accurate summaries and insights to support accounting processes and business decision-making.
- Provided client-facing support through on-site/client visits, assisting with deployment, system setup, troubleshooting, user guidance, and post-deployment issue resolution.

Freelance Frontend Developer, Gamatek..... June 2025 - Present
Davao City, Philippines

- Built responsive and modern user interfaces using Next.js and shadcn/ui, focusing on performance, accessibility, and design consistency.
- Collaborated closely with the backend team to integrate RESTful APIs, ensuring smooth data flow and component functionality.
- Implemented reusable UI components and layout structures aligned with the project's design system.
- Participated in regular syncs and code reviews to meet tight deadlines and maintain project quality standards.
- Developed and customized responsive WordPress landing pages and portfolio websites using Elementor, focusing on clean layouts, user-friendly design, and hands-on project implementation.

Voluntary Python Instructor, Thinktech Project Organization..... Jan 2024 - March 2025
Davao City, Philippines

- Taught Python fundamentals to high school students, covering variables, data types, control structures, functions, and object-oriented programming.
- Designed and led interactive coding sessions to reinforce problem-solving and logical thinking.
- Introduced students to basic data analysis using libraries like Pandas and Matplotlib.

Intern - Full Stack Laravel Developer, National Center of Mental Health..... June 2024 - Aug 2024
Mandaluyong City, Philippines
